Letter dated 3-7-1916 from Mr. S. Sajjan Rao, Yarn Merchant, Bangalore City, to the Honorary President, City Municipal Council, Bangalore.

"I beg to acknowledge the receipt of your kind letter No. 3016 dated 12th April, enquiring whether I am agreeable to the proposal to locate the Maharatta Hostel on the dry land belonging to Rajakarya Praveena Rao Bahadur A. Rangaswami Iyengar to the South of the Seshadri Road and whether I am agreeable to pay for the site that may be allotted to our community.

In reply, I beg to say that there will be no objection in locating the hostel on the site proposed. With reference to the cost, I beg to submit, the Government have all along been very gracious to us and most graciously allott a free site for our use. I now pray that the same indulgence may be extended and the site allotted free of cost as before. In fact we were assured that a suitable site in lieu of the one taken away from us and made over to the Uttaradi Mutt would be given to us free of cost for the Maharatta Hostel. I am ready to spend a sufficiently liberal amount on the building and on its up-keep.

However, should it be not possible to acquire and allot the site in question, I beg that the Karanji tank bed now lying unused may be given; or the site opposite the City Institute, which also remains unutilised, may be given to us.

I beg to add that the matter has long been delayed. We are anxious to push on with the work as quickly as possible and we beg of you to pass very early orders in the matter of securing a suitable site for us.

for which act of kindness I shall feel highly grat ful".

Letter dated 29t[illegible]ay 1916, from Yejaman Basappa, Cotton pet, Bangalore City, to the Honorary President, Municipal Council, Bangalore City.

"With reference to your letter No. 3015/1 dated the 12th April 1916, re site for locating a Hostel for the Veera Saiva Community, I beg to state that I am desired by the leading members of the community to write and inform you that the dry land belonging to Rajakarya Praveena Rao Bahadur A. Rangaswamiengar is, no doubt, admirably suited for the purpose of Hostels, but that there are, it is to be regretted, no funds available to meet the cost of acquisition of the said piece of land.

Mr. Athibele Sidlabasanna is a gentleman who has generously agreed to provide a building for the benefit of the students at the moderate cost of Rs. 10,000/- which being insufficient for the building itself, cannot afford to leave any margin for being also apportioned for the cost of the site. The gentleman is not prepared to exceed the sum which he has promised. There are no other funds at the disposal of the community for supplementing Mr. Sidlabasavappa's munificent offer.

Under this circumstance, I am desired to request that the benevolent Government of His Highness the Maharaja will be pleased to make a free grant of this site or that they will grant any other site out of Government or Municipal land. Any one of the following sites will be suitable for our purpose:-
